### Indian Crest Middle School crowns history bee champion

A press release from the Souderton Area School District Jan 3, 2017

Annabel Cunningham won Indian Crest Middle School's National History Bee.

FRANCONIA >> Indian Crest Middle School's National History Bee was held Dec. 15, with Annabel Cunningham being the winner.

Annabel outlasted about 150 other students to be crowned champion.

Students had to complete a 40-question history challenge in order to qualify for the final 25 oral history test. Annabel then qualified for the top 10, which changes from single to double elimination, and then she qualified for the final two with Ellie Ross. They were both given the same three questions. Annabel won on the last question, which she correctly answered. The question was, "What athletic competition is named for the battle from which a soldier ran 25 miles to Athens to deliver news of victory over the Persians?" The answer is: marathon.

The following were the top 10 finalists at Indian Crest: Ally Malmquist, James Walsh, Colten Garrick, Nathan Vaszily, Nevin Allen, Sydney Rohrbach, Magen Swartley, Cole Pifer, Ellie Ross and Annabel Cunningham.

Tip #3

Drive influence when and where it matters most.
