## **COMMUNITY: Souderton Area High School Leo Club hosts Seniors Prom for Arbour Square residents**

Monday, April 24, 2017

Residents of Arbour Square of Harleysville recently attended the annual Seniors' Prom hosted by the Souderton Area High School Leo Club. Residents visited the high school for a Candy Land themed night full of dancing, music and food. As the guests arrived in their prom attire, they were greeted at the entrance and escorted via golf cart to the reception area. It was not just a couples' event. There were a number of people dancing with friends and there was no couples stigma. Residents were escorted by Resident Life Assistant, Pat Malvoso, who not only helped transport everyone, but also attended the dance himself.
