

**Souderton Area High School
2012-2013 Grade 10-12 Course Selection Worksheet**

This course selection worksheet is intended to be used in conjunction with the 2012-2013 Souderton Area High School 9-12 Program of Studies. Specific information regarding the process of course selection and the graduation requirements are listed on the district web site. Parents and students should familiarize themselves with this information. **For your reference, the specific graduation requirements are also listed on the back of this sheet.** All courses are 1.0 credit unless otherwise noted.

After students and parents have reviewed the information in the 2012-2013 Souderton Area High School 9-12 Program of Studies and indicated preliminary course requests on this sheet, each student will meet with his/her counselor. Schedules will be distributed to students in mid-May and all **requests to change a student's schedule must be made within 10 school days of receiving their schedule.** Please indicate course requests by circling each choice below.

**Special Notes
(For counselor's use)**

Please note: All requests to change a student's 2012-2013 schedule must be made within 10 school days of receiving their schedule.

* (DC) denotes dual-credit opportunity through MCCC

GRADUATION REQUIREMENTS

Each student in grades 9 through 12 must carry a full schedule to be classified as a full-time student. A full schedule consists of 7 credits for 9th – 11th grades and 6.5 credits for 12th grade students. In exceptional cases, a student may be allowed to carry fewer credits with the approval of the principal. Promotion from one grade to the next, and ultimately graduation, will be based on the satisfactory completion of individual courses.

Graduation, each student must satisfactorily complete a minimum number of course credits in grades 9-12. The basic graduation credit requirements for the classes of 2013 through 2014 are indicated below.

	Class of 2013	Class of 2014

NOTE TO PARENTS AND STUDENTS:

Please request courses based on the graduation requirements in the *2012-2013 Souderton Area School District 9-12 Program of Studies*, the individual pre-requisites for each course, as well as personal academic and career goals of the student. After students and parents have discussed and reviewed these requests, each student will meet individually with his/her guidance counselor to review course requests and the student's cumulative academic transcript. Student schedules are created based on the individual requests made by each student. Course sections are created and offered based on the requests of all students in the high school and the times that courses are offered are determined by the "best fit" of all of the requests of all students.

Conflicts do arise between the courses that some students have requested and those which are available. If a conflict occurs in the requests a student has made, his/her counselor will meet individually with the student to resolve these conflicts. At this time it may be necessary for the student to change one or more of the courses he/she is requesting.

All requests for changes to student schedules for the 2012-2013 school year must be made within 10 school days of receiving their schedule. All 2012-2013 student schedules become final after this date. Requests to change schedules after 10 school days will not be accepted.

I approve of the requests my son/daughter has made and I understand the stipulations written in this information box.
