I have read the Souderton Area High School Handbook and understand the policies and programs therein. I have a copy of the Souderton Area School District's Administrative Guidelines and Discipline Policy Administrative Guidelines. I understand that some of the policies written in the Handbook are abbreviated versions of Board policies and agree to comply with the complete Board policies. In addition, I will discuss the handbook with my student. I also plan to support and cooperate with school personnel throughout the coming school year in an effort to enhance a positive experience for my student.
