

On March 30, 2016, Superintendent Frank Gallagher announced the Souderton Charter School Collaborative's decision to withdraw its amendment request.

Sent via SASD e-mail to all staff

Hello All,

On Tuesday evening, March 29, 2016, the Souderton Charter School Collaborative Board of Trustees voted to withdraw its recent charter amendment request to add a second location within the boundaries of the Souderton Area School District. Accordingly, the Souderton Area School Board hearing scheduled for Thursday, March 31, 2016 to consider the charter school's proposed amendment, has been cancelled. The regularly scheduled Board meeting will still be held as scheduled beginning at 7:00p.m. at the Souderton Area High School.

I want to take this opportunity to thank our entire staff for your ongoing support. As your Superintendent I will continue to advocate for our schools and for traditional public education. I am proud of our schools, our staff, and our students.

Frank T. Gallagher
Superintendent of Schools
Souderton Area School District
