

Keystone Opportunity Center is a nonprofit social service agency that serves over 5,000 neighbors each year through food, housing and education.

Souderton Area School District and Keystone Opportunity Center are teaming up to fight hunger. April 17-21, we will be collecting food, and household items to share with those struggling in our local community. Every month, Keystone's Food Pantry serves 250 households in the Souderton Area School District. This is a chance for you to make a big difference in the live of your neighbors who need help.
