

Dear EMC Families:

You are invited to view the EMC Elementary costume parade at 1:30 pm on Thursday, October 31. We have designated a special viewing area for parents/guardians to gather and enjoy the parade! The students will parade out of the building and around the front bus loop, across the crosswalk, up School Lane to the corner of Garfield and back over to the school. We ask that you stand in the middle of the parade circle for a great view of the students. The parade will conclude by 2:00 p.m. For the safety of all of our students:

- *Parents/guardians are to remain in the parent viewing area during the parade so everyone can get a great view of the students.
- *School Lane from Garfield to Montgomery Ave. will be temporarily blocked as the students parade in one large circle.
- *Students should not wear costumes to school for the entire day. There will be a designated time for students to put on their costumes, on top of their regular school clothes, just before the parade begins.
- *Parents who have signed up to volunteer in the classroom for the social, may arrive at the main office at 1:10 to help and set up.

Sincerely,

Tamara Ferlick
Principal
