## February's Monthly Challenge

This month's challenge is all about recognizing coins and understanding their values.

Students will explore different U.S. coins, learn what each one is worth, and practice identifying them with confidence. It's a fun way to build real-world math skills while strengthening number sense.

## Important SASD Calendar Update

Due to the traditional snow day on Monday, January 26, 2026, schools will be in session on **Friday, February 13, 2026.**

Due to this, EMC has decided to change our Valentine's Social to **Friday, February 13<sup>th</sup> from 2:10 - 3:10 PM.**

## 4th Grade Authors

Mrs. Roel's class researched Apex Predators and compiled their essays into a classroom book. They are very proud to be Souderton's newest published authors!

A special shout out to Casey for illustrating the cover of the book!

## Beach Day

Students brought a burst of sunshine into a chilly January by arriving with their favorite beach books and cozy towels.

Their mini "summer escape" filled EMC with warm vibes and bright stories.

# Effort Makes Champions

## Career Expo Day

Fifth grade students enjoyed an exciting field trip to the high school, where they explored a variety of career paths and discovered new possibilities for their futures.

From hands-on demonstrations to conversations with older students and staff, they got a glimpse of the many opportunities waiting for them as they grow.

## FORCES AND MOTIONS

Students learned the magic of science during our Forces and Motions Assembly!

## JOKE OF THE MONTH

Q: What did the painter say to their sweetheart on Valentine's Day?

A: I love you with all my art.
