

August 2023

Dear Fourth Grade Families,

It's almost time for another fabulous school year. My name is Jennifer Czajkowski (cha-cow-ski) and I will be your child's 4th grade teacher.

I love being a part of the Franconia family and have my own family at home. My husband and I live with our three children in Lansdale. We spend our time running to various activities such as field hockey, flag football, and lacrosse. I enjoy reading when I get a minute to spare!

When you go shopping for school supplies, there are a few things that you may want to purchase. The full supply list is available on the SASD website. I would suggest the following supplies for the year: a pencil box, pencils, colored pencils or crayons, 8 count expo markers, 2 composition books and markers! Students will also need a set of headphones and are allowed to have a water bottle at their desks. Please feel free to contact me during the year with questions and/or concerns that you may have. I want your child's experiences as a fourth grader to be positive and rewarding.

I hope you had a wonderful summer and I look forward to seeing your child on our first day of school. Don't forget, your child can get a head start on the **25 book Amazing Reader** challenge by turning in five books they read over the summer!

Warm regards,

Jenn Czajkowski
