A LITTLE ABOUT ME:

This will be my third year at Franconia! Prior to Souderton, I began my teaching career in the School District of Philadelphia in 2012 upon graduating from La Salle University. I have a great deal of experience in special education and inclusion.

My husband and I have two children, Meredith and Alexander. Meredith is 7 and is going into 2nd grade at Vernfield, and Alexander is 1. We also have a dog named Cleo! This summer, we spent a month in Greece visiting family!

Hello and welcome to a new school year! I hope that you are having a happy and healthy summer! I am so excited to be your child's teacher this year. I am looking forward to continue working with our incoming 5th grade families as well as getting to know our incoming 4th grade families! Along with our classroom assistants, Mrs. Pierce and Mrs. Williams., I work closely with your child's homeroom teacher and related service providers to support your child to provide them with meaningful and authentic learning and experiences!

Looking forward to a great year!

Leah Agosti
