

Welcome to Room 3-3! 😊

Welcome to the 2024-2025 school year! My name is Michael D'Annunzio and I will be your child's teacher. I thought you might like to know a bit about me! I am an avid golfer, hockey player, and a dog dad. I also love to exercise. In 2022, I married my high school sweetheart, Meghan. We are dog parents to our golden retriever, Ellie. My wife and I love spending time with family and friends.

I am a West Chester University Graduate, having received my degree in Early Grades Prep, PreK-4. Additionally, I received my Master's Degree from Wilke's University in 2021. I began teaching in the Souderton Area School District in 2015. This year, I celebrate a decade teaching in Souderton. During my time in Souderton, I have had the opportunity to teach first, second, third, and fifth grade across multiple buildings, with Franconia being my home since 2017. I have taught third grade at Franconia for the past five years.

I am a Souderton Area School District graduate. As a student, I was lucky to have such talented, motivated teachers who made school such a wonderful experience. It is during my years as a student that I developed a love for the classroom. Many of my teachers invested their time and effort into helping me grow and many inspired me to become a lifelong learner. It is my hope that I will be able to do the same for your children as we begin the new school year together.

As you prepare your child for the upcoming school year, please take note of the third grade supply list. This will provide you with all of the necessary supplies to begin the school year.

I hope that you enjoy the remainder of your summer and am looking forward to meeting you in the coming weeks!

Kindest Regards,

Michael D'Annunzio
