

WELCOME to fifth grade!

My name is Mrs. Diachynsky and I will be your 5th grade teacher this year! I hope you had a fun and relaxing summer and are ready to learn together. I am so excited to have you as a member of our class!

This will be my 5th year in 5th grade! I live in Boyertown with my husband, my daughter Morgan who is 2 1/2, and our dog Kip. When I'm not teaching, I enjoy the beach, reading, and spending time with family and friends.

This year we will learn so much together! Some of the things you can look forward to learning about this year are the Revolutionary War and the Earth and Sun. We will also spend time reading and writing. You will have many opportunities to create a variety of writing pieces and conduct research to keep you curious about learning.

When you come to school make sure to bring the school supplies you will need. You can check the Franconia website and I've included a list of supplies in this letter. **Bring your reading log from the summer** (remember, 5 summer books can count toward your Amazing Reader goal for the year)!

On the first day, be prepared to share something you did this summer. You may bring in a picture if you'd like! Also bring an independent reading book if you have one.

I look forward to meeting you so soon! See you on the first day! (PS – our classroom is on the second floor). Enjoy the last few days of summer break.

Love,
Mrs. Diachynsky
