

WELCOME TO 5TH GRADE!

Mrs. Harsanyi

5-2

Dear Fifth Grader-

Hello! Welcome to the 2024-2025 school year! My name is Mrs. Harsanyi, and I will be your fifth-grade teacher. Fifth grade is a special and exciting year (not to mention totally AMAZING). We will dive into fascinating subjects, tackle interesting projects, and embark on fun adventures together. You will experience an incredible amount of growth and will have many opportunities for great accomplishments and successes throughout the year.

I have been teaching fifth grade for many years now, and I LOVE it. I live in Spring Mount with my husband, Mr. Harsanyi, and our dog, Olive. She is a wild one and keeps me on my toes. When I'm not teaching, I enjoy reading, traveling (especially if there is a beach involved), cooking, and spending time with my friends and family.

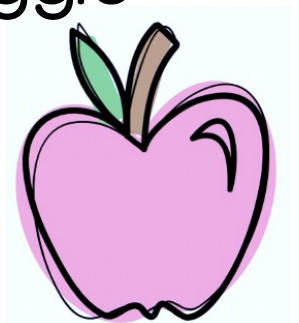

Be prepared to share a summer memory with the class on the first day of school. If you have a picture of yourself having some summer fun, we would love to see it! I cannot wait to meet you, and I look forward to welcoming you to fifth grade!

Sincerely,
Mrs. Harsanyi ☺

P.S.- Hi parents! Our 5th grade field trip to the Philadelphia Zoo will be in mid-October. If interested in joining us, now is the time to start gathering your clearances. More info to come! ☺
