

February 2024

Dear Community Friend,

Indian Valley Middle School is proud to announce that our entire student body will be participating in our seventh annual Community Day on **Friday, May 17th (Raindate: Friday, May 24th)** at which time students will participate in an obstacle course for charity. We are excited to give back to our community and support the #IronDad23 Charity. This cause was voted on by our student body. Teachers, students, parents and the community are more excited than ever. You can already feel the energy in the halls as our entire school gears up for the big day. We want to make this year better than ever!

Please consider supporting this worthwhile cause by filling out the enclosed sponsor form and sending it back to Indian Valley Middle School c/o Catherine Heller. Your company name and/or logo will appear around the school property for not only our students and teachers to see but the community as well. To have your name and/or logo included in Community Day, please return your donation by **April 5th, 2024**.

All donations will be deeply appreciated. We hope you will be able to support our student body and the #IronDad23 Charity. We look forward to partnering with you in support of this charitable event. If you have any questions, please feel free to contact us at cheller@soudertonsd.org.

Thank you,
Indian Valley Middle School
Teachers and Students
