## New Wing

Progress in our building renovations continue as we opened up our new D-Wing area! Teachers moved into their newly renovated classrooms and students enjoyed the new hallway features including built-in benches and countertop work areas. The transitions continue as the C-Wing classes close down for work to continue into the Spring.

## Faculty Luncheon

A big thank you to all the parents who generously contributed to the faculty luncheon on 12/20. A great time was by all. We even had a special visit from Santa.

## Giving Tree

We would like to show our gratitude to those who participated in this year's giving tree. We were able to collect 76 gifts for families in our community. It is a privilege to be a part of a community that can show support for one another in such significant ways.
