Things You Should Know

- I used to teach preschool
- In my early years at SASD, I had the opportunity to be mentored by a Behavioral Specialist and attended Penn State for a few weeks for further learning
- I was involved with Girl Scouts, and I was a youth group leader for years.
- I was raised by deaf parents
- In my 20's an executive secretary for 2 different places

Why I Became A Teacher

I've always been drawn to children in general. I have had a desire to help children succeed, to let them know they are valued, and to help them in life and school along their years.
