- *I love my job!*

Favorites

- *Dr. Pepper*
- *Travelling*
- *Volunteering in my community*

Why I Became A Teacher

I love working with teenagers and providing support to kids in school. I also like providing support to teachers.

Teacher Tuesday

Mr. Robbins

- *8th Grade Math Teacher – 23 years*
- *Bachelors of Science in Mathematics from East Stroudsburg University*
- *Masters of Education from Wilkes University*

Things You Should Know

- *I worked at Crest and valley throughout my career*
- *I enjoy learning from and sharing experiences with others*

Favorites

- *Music (listen and play)*
- *Watching sports*
- *Following new recipes*
- *Drawing*

Why I Became A Teacher

I come from a family of teachers whose positive experiences have influenced me to pursue the profession. In addition to my family, my own teachers and peers had and continue to have a profound impact on me. Their time and energy invested in me inspired me to provide similar experiences for younger generations.

Teacher Tuesday

Mrs. Terreri

- *Emotional Support Teacher – 13 years*
- *Bachelors of Ed. in Elementary Ed. and Middle School Math from East Stroudsburg University*
- *Masters in Special Ed. from Saint Joseph's University*

Things You Should Know

- *I have two boys, Jackson (5), and Vincent (3)*

Favorites

- *Reading books*
- *The beach*
- *Being outside*
- *Watching and/or playing various sports*
- *Cookie dough from Miss Faehner's class*

Why I Became A Teacher

I was inspired by a high school English teacher who created a positive environment with lots of laughter.
