Kindergarten

Kindergarten students are busy singing, dancing, and moving to music! They are increasing body awareness through the use of scarves, beanbags, and shakers.

What Will I Learn in Kindergarten Music?

First Grade

First graders are exploring singing voice and steady beat movement. They are learning to AUDIATE, or hear music in their minds.

What Will I Learn in 1st Grade Music?

Second Grade

Second grade students are learning about duple and triple meter and resting tone. They are performing macrobeats and microbeats.

What Will I Learn in 2nd Grade Music?

THIRD GRADE

Third grade students learned how to identify steps, leaps, and repeats in music.

What Will I Learn in 3rd Grade Music?

FOURTH GRADE

Fourth graders are learning to read and write rhythm patterns in duple meter.

What Will I Learn in 4th Grade Music?

FIFTH GRADE

Fifth grade students listened to sounds in the environment and created their own nature compositions.

What Will I Learn in 5th Grade Music?
